

True Pursuit
Masculine Journey Weekend

October 1-4, 2026

At Michindoh Conference Center, Hillsdale, MI

"You are the son of a kind, strong, and engaged Father, a Father wise enough to guide you in the Way, generous enough to provide for your journey, offering to walk with you every step along the way"
John Eldredge

TRUE PURSUIT

Hearts Rescued / Freedom Gained

"The life you've known as a man is not all there is. There is another way. A path laid down for centuries by men who have gone before us. A marked trail."

Every man carries a deep desire to know if he has what it takes, yet most of us feel uninitiated and unguided. Based on the profound insights of John Eldredge's Fathered by God, this weekend is a rare space to find your bearings. Through Biblical teaching by the True Pursuit team, personal stories, small-group processing, and practical guidance, we will offer a map to lead you through the stages of a man's journey. Beloved Son, Cowboy, Warrior, Lover, King, and Sage. We aren't handing you another checklist of duties or a new set of rules; we are inviting you onto a timeless path of transformation. Come discover how God is actively working to father you, heal the broken places, and shape you into the man He always intended you to be.

Who is it for?

The True Pursuit Masculine Journey Weekend is for any man who desires to deepen their relationship with their True Father. While a prior exposer to the Wild at Heart message would be helpful, it is not necessary. The weekend is tailored for men who have a longing to slow down and unplug from the hurriedness of their everyday lives and hear from God in new and refreshing ways.
